

Non English Speaking Background Domestic Violence Action Group

PO Box 369 Marden SA 5070

These 'Z' Cards were produced by the Non English Speaking Background Domestic Violence Action Group and can be distributed to your clients who are experiencing domestic violence.

The purpose of these cards is for women to have fast access to information about domestic violence as well as important contact numbers.

The size of the card was designed so that the women could fold it up and keep it in their purse or bag. It has been translated into many languages so that women from Non-English Speaking Backgrounds can access this information safely, as it was found that very little information was available for them in their own language.

If you have any questions or feedback or wish to place an order for more 'Z' Cards, please feel free to use the order form or contact us at PO Box 369, Marden SA 5070. Thank You.

Below is the order form for the NESBDVAG 'Z' Cards. Each order will need to accrue a charge including postage. Your service will be contacted with the cost and you will be charged accordingly. We will notify you of the cost before we fill your order. You will need to pay on order (once the cost has been verified – approx 20c each + p&h) in order to guarantee the delivery. Transportable storage units are also available so that cards can be easily stored in and used for various displays. For transportable storage units, please add \$17 to your order. Units hold approximately 10 -12 cards in each language. Storage units and cards can be purchased complete for \$75 (this includes 250 cards). If you would like to purchase a stand with the cards for your service, then this will cost \$100. This includes 190 cards, the stand plus postage and handling. All orders are to be posted to Kathy or Isis at PO Box 369, Marden SA 5070. Thank you.
